

Values and Ethos Statement

‘Where everyone learns to learn’

Rathfern is a rich, vibrant and diverse community that promotes its moral purpose through its core values.

Our Core Values are:

- Respect Each Other
- Always Exceed Your Best
- Take Responsibility
- Help and Care about each other
- Everyone Matters

These core values underpin all we do and we all aim to live and breathe them.

Respect and Responsibility are core elements of our school ethos and foster the safe, positive and challenging learning culture evident across the school.

All at Rathfern are encouraged to become critical, active and engaged learners, who understand their responsibilities as citizens to promote equality, social justice and change.
